U.S. Court of Appeals  
Fourth Circuit

Attorney Dubois / McNamara

I pray this letter finds you  
both doing well!

I'm writing to inform you, under  
no circumstances am I seeking to represent  
myself on the appeal. I very much  
need and desire your succor and zealous  
representation on Appeal # 07-4115 / CR-0235 RWT

I mistakenly asked to file a brief  
Pro SE, in which I would like to file  
a supplemental brief in addition to the  
brief you will file on my behalf. I have  
informed you of my desire to file a supplemental  
brief previously and you stated I had to  
seek the court's permission. The purpose of  
this letter is to re-iterate my desire for  
you to prepare my brief and render me  
a zealous defense. If you need any  
additional info, progress reports/etc. Please  
contact Mr. West, my case manager at  
(304) 379-5500 or Ms. Susan Folks, the Administrator

Pg. 2 of 2

I'm also notifying the Appeals Court of my mistake and of the fact I'm only seeking to file a supplemental motion not to have you removed from my case.

Previously you stated when the appeal brief order was set, you wanted a copy of my certificates, progress reports etc. Now that the briefing order is due on 7/22/09 and a response brief due on 8/17/09 please let me know all that you need. Please include the error of my criminal history calculation and the conviction over 10 years old which was calculated as well.

Please acknowledge receipt of this missive and forward me a list of all things you need from me. Please try to contact Mr. West or Mr. Folks, so we can discuss the brief you're filing on my behalf. I will make every attempt possible to get a call to you, starting on 6/24/09

Respectfully
